DICTIONARY SEARCH

Sr #	Word	Meaning
42863	Vulgaris opinio est duplex: orta inter graves et discretos, quae multum veritatis habet, et opinio	Common opinion is double: that proceeding from grave and discreet men, which has much truth in it, and that proceeding from foolish vulgar men, without any semblance of truth in it.
42862	Vox emissa volat; litera scripta manet.	The uttered voice flies; the written letter remains. [Cases: Libel and Slander <(;:5.]
42861	Voluntas ultima testatoris est perimplenda secundum veram intentionem suam.	The last will of a testator is to be fulfilled according to his true intention.
42860	Voluntas testatoris habet interpretationem latam et benignam.	The will of the testator should receive a broad and liberal interpretation.
42859	Voluntas testatoris ambulatoria est usque ad mortem.	The will of a testator is changeable right up until death. •That is, the testator may change the will at any time. This maxim is sometimes written Voluntas testatoris est ambulatoria usque ad extremum vitae exitum (same sense).
42858	Voluntas reputatur profecto.	The will is to be taken for the deed.
42857	Voluntas in delictis non exitus spectatur.	In offenses, the will and not the outcome is regarded.
42856	Voluntas facit quod in testamento scriptum valeat.	The will (of the testator) gives validity to what is written in the will (testament).
